IV. REGULAR SESSION BEGINS

A preliminary budget was presented by Mr. Larrow via a power point presentation. The budget is tentative depending on the state budget that is still not finalized. Many significant cuts have been made in all departments. A five year comparison was presented that identified the current tax levy with the figures on the preliminary budget versus the figures over the past five years.

The next budget meeting is tentatively scheduled for 4/8/09 depending, again, on the state budget. Those numbers are needed to address our current figures.

A comment from public was raised about securing money from grants to help offset the budget. Mr. Larrow indicated that we are constantly looking for grants and have secured many grants to date. We will continue to look for additional grant money now and in the future.

V. ADJOURNMENT

Motion made by Mr. Breeyear, seconded by Mr. Gilbo to adjourn the meeting. All in favor. Motion carried. The meeting was adjourned at 6:30 PM.
