

## **Return to In Person Instruction Information for Parent Review**

As of April 26<sup>th</sup>, all students currently in our cohort model will return to full time in person instruction 5 days a week.

Students currently attending full time remotely will still have the option to continue in this model for the remainder of the year.

Parents who would like to change their child/children's current education model from full time remote, please contact the office to make arrangements.

New guidance allows our district the opportunity to move from our current 6 feet social distancing rule to a three feet rule in all classrooms.

Moving closer than 6 feet requires all student to wear masks at all times other than eating or drinking.

Students will still need to be 6 feet when eating or drinking, location for meals will now be in the cafeteria and in various classrooms as needed.

Busing will still utilize family members sitting with each other and all others will be separate to the best of our ability through assigned seating charts.

Band and chorus will now be allowed to perform at 6 feet in distance compared to the current 12 feet that we have been using all year.

### **Elementary School**

Please note, there will be no changes to the elementary schedule at this time.

If we did not answer your questions here please feel free to email your question on our COVID -19 email address which is website at [MCSCOVID@moriahk12.org](mailto:MCSCOVID@moriahk12.org). Questions will be answered inn a timely manner.
