Donna M. Cook
Memorial Scholarship

Dear Seniors,

Congratulations on making it to this point in your lives! You are accomplishing a milestone and have made your families, school and community very proud!

Background:

On January 20th, 2020, our family lost a mother, grandmother, wife, sister and friend after a long battle with kidney disease. During her life, she had four children, ten grandchildren and many nieces and nephews. However, she still managed to find a place at her table for those who were less fortunate. Aside from her family, she loved to support her community and her school. She could often be found supporting the Moriah Vikings in any of the sporting events they were participating in. During her life, she worked many years in the special education department of MCS. In honor of her memory, the family of Donna M. Cook would like to offer a \$1,000 scholarship to an MCS graduate who exemplifies the ideals of **community, caring** and **kindness**.
